New and Improved BOPP Grade from Reliance Industries Limited

Dear Mr. Agharkar,

Herewith we like to inform you that after internal discussions with our start-up specialists, we included the **PP Homopolymer Repol H 034 SG** in our Raw Material Recommendation List. Status is "in use" and für line speed > 400 m/min.

Best regards,
Brückner Maschinenbau GmbH
i.A.
Norbert Brunner
