

Notice Inviting Offer

Reliance Industries Limited (“**RIL**”) is producing Coal Bed Methane (“**CBM**”) from the CBM Block SP (West) - CBM-2001/1 (“**Block**”), located in district of Shahdol in state of Madhya Pradesh, under contract for exploration and production of CBM executed with the Government of India.

CBM produced from the Block will be available for sale at the Delivery Point located at GGS 11, situated at Tehsil Burhar, District Shahdol, Madhya Pradesh from 01 April 2021 subject to the terms of the Gas Sale and Purchase Agreement (“**GSPA**”).

The Block is connected with national gas grid through Shahdol Phulpur Pipeline - SHPPL (including Integrated HVJ network, JHBDPL, GSPL network, DUPL – DPPL network and PIL Pipeline), thus providing CBM access to consumers located across a wide region.

To conduct bidding process for the sale of CBM produced from the Block through an online web based electronic bidding platform, RIL has appointed CRISIL Risk and Infrastructure Solutions Limited (“**CRIS**”) as an independent agency.

RIL invites offers from interested companies (“**Bidders**”), in accordance with the terms and conditions of the Request for Proposal No. RFP/CBM/2021/001 dated 24 February 2021 (“**RFP**”). The prospective Bidders are required to download the RFP available at <https://gasbidding.auctiontiger.co.in/BID/> and follow instructions therein to participate in the bidding process. For any queries related to RFP, please contact CRIS at cbm.ebidding@crisil.com
