Dear Sirs,

Sub.: Intimation of the proposed shutdown of FCCU in DTA from second week of November, 2016

This is to inform you that the DTA unit of Jamnagar Refinery of the Company is planning to shut down the Fluidized Catalytic Cracking Unit (FCCU) for routine Maintenance & Inspection activities from the second week of November 2016 for about 5 weeks. The shutdown will provide an opportunity to carry out a revamp job in one of the Polypropylene units. All the four crude distillation units along with other major secondary processing units are expected to operate at normal throughput.

This is for your information and records.

Thanking you,

Yours faithfully,
For **Reliance Industries Limited**
