Mumbai, 4th March 2022 – Reliance Industries Ltd. today announced the opening of the country's largest and most prestigious multi-faceted destination, the **Jio World Centre**. Envisioned by Mrs. Nita Ambani, Director Reliance Industries and Founder-Chairperson of Reliance Foundation, the Centre covers an expanse of 18.5 acres in Mumbai's Bandra Kurla Complex, and is set to become an iconic business, commerce and culture destination, giving India and its citizens a world-class landmark.

Launching initially with a dedication of the **Dhirubhai Ambani Square** and the musical Fountain of Joy to the city of Mumbai and India's largest and finest **Jio World Convention Centre**, the Jio World Centre will have a phase-wise opening over the course of the current and the next year.

A first-of-its kind destination in India, the Jio World Centre includes a cultural centre, a musical fountain, an upscale retail experience, a curated selection of cafés and fine dining restaurants, serviced apartments and offices, and the state-of-the-art convention facility.

Sharing her vision for the Centre, **Mrs. Nita Ambani** said, "Jio World Centre is a tribute to our glorious nation and a reflection of the aspirations of New India. From the largest conventions to cultural experiences to pathbreaking retail and dining facilities, Jio World Centre is envisioned as Mumbai's new landmark, a point where we come together to script the next chapter of India's growth story."

Dhirubhai Ambani Square

Set to be a new landmark in the city of Mumbai, the Dhirubhai Ambani Square is a dedication to the beloved founder of Reliance, Shri Dhirubhai Ambani and the city of Mumbai. A free-entry, open public space, it promises to become a must-see destination for local citizens and tourists from around the world.

The Dhirubhai Ambani Square is centered around the **Fountain of Joy**, a series of spectacular fountain shows of water, lights & music. The fountain symbolizes India and its many colours, featuring eight fire shooters, 392 water jets, and over 600 LED lights which create an unforgettable display of evolving lotus blossom patterns with petals dancing to the melody of the music.

Dedicating the musical fountain, **Mrs. Nita Ambani** said, "With great joy and pride, we dedicate the Dhirubhai Ambani Square and the world class Fountain of Joy to the people and city of Mumbai. A celebration of the spirit of the city, it will be an iconic new public space where people share joys and soak in the colours and sounds of Aamchi Mumbai! I am delighted to pay a special tribute to teachers on the opening night. Having been a teacher myself, I thank our teachers for working tirelessly and keeping the flame of knowledge burning in these challenging times. Our tribute show applauds these real heroes."

Over 250 teachers from BMC schools and other schools across Mumbai were invited to attend the opening show as a mark of respect for their efforts in adapting to the new methods of teaching in last two years to keep the flame of knowledge burning and ensuring India's march towards achieving its next decade of success.

The square will open with evening shows every day. Free entry passes can be booked on the dhirubhaiambanisquare.com.
