## **MEDIA RELEASE**

### **Jio Welcomes the Government of India's Reforms to Strengthen the Indian Telecom Sector**

**Mumbai, 15<sup>th</sup> September 2021:** Jio heartily welcomes the reforms and relief package announced by the Government of India, as these are a timely step towards strengthening India's telecom sector. These will accelerate realisation of Hon. Prime Minister Shri Narendra Modi's Digital India vision and enable India's transformation into the world's leading Digital Society.

Jio's mission is to bring the fruits of the Digital Revolution to 1.35 billion Indians. Guided by this mission, we have ensured that Indians have the highest quality and the highest quantity data access anywhere in the world, at the most affordable prices. The Government's telecom sector reforms will encourage us to bring newer and greater benefits to our customers.

We look forward to working with the Government of India and other industry players in reaching all the goals and milestones of the Digital India vision, so that we can collectively make every sector of the economy productive and enhance the Ease of Living for every Indian.

On this occasion, **Shri Mukesh D Ambani, Chairman, Reliance Industries**, said, *"Telecom sector is one the prime movers of the economy and the key enabler for making India a Digital Society, I welcome the Government of India's announcement of reforms and relief measures that will enable the industry to achieve the goals of Digital India. I thank Hon. Prime Minister for this bold initiative."*

#### **About Reliance Jio Infocomm Limited:**

Reliance Jio Infocomm Limited, a subsidiary of Jio Platforms Limited, has built a world-class all-IP data strong future proof network with latest 4G LTE technology. It is the only network conceived and born as a Mobile Video Network from the ground up and supporting Voice over LTE technology. It is future ready and can be easily upgraded to support even more data, as technologies advance on to 5G, 6G and beyond.

Jio has brought transformational changes in the Indian digital services space to enable the vision of Digital India for 1.3 billion Indians and propel India into global leadership in the digital economy. It has created an eco-system comprising of network, devices, applications and content, service experience and affordable tariffs for everyone to live the Jio Digital Life. As part of its customer offers, Jio has revolutionised the Indian telecom landscape by making voice calls for Jio customers absolutely free, across India, to any network, and always. Jio makes India the highest quality, most affordable data market in the world so that every Indian can do Datagiri.
