3. Principle no. 1 and Principle no. 4 of Schedule A to the SEBI PIT Regulations are reproduced below:

   Principle no. 1 - Prompt public disclosure of unpublished price sensitive information that would impact price discovery no sooner than credible and concrete information comes into being in order to make such information generally available.

The news article, *inter alia*, stated that Facebook is seeking to buy a multi-billion dollar stake in Reliance Jio and it was close to signing a preliminary deal to buy 10% share in Jio.

6. As on that date, due diligence was still ongoing in connection with the deal, and the parties were yet to even agree on the final valuation and value of the investment by Facebook.

7. We submit that credible and concrete information about the Jio-Facebook Deal came into existence only upon execution of definitive legal documentation. The definitive agreements were executed on April 21, 2020. The Company made announcement of the deal immediately thereafter. 8. The order does not deal with any of the arguments advanced by the Company. In the opinion of the Company, the order is untenable and the Company would be filing an appeal before the Securities Appellate Tribunal against the said order.

Kindly take the above on record.

Thanking you,

Yours faithfully,
