18. Each of the Resulting Companies is, presently, a wholly owned subsidiary of the Applicant Company. After issue of shares by each Resulting Company in terms of Clause 12.1 of the Scheme of Arrangement, the Resulting Companies would cease to be subsidiaries of the Applicant Company.
19. Each of the several businesses carried on by the Applicant Company by itself and through its subsidiaries and affiliate companies and through strategic investments in other companies including Coal Based Energy Undertaking, Gas Based Energy Undertaking, Financial Services Undertaking and Telecommunication Undertaking have tremendous growth and profitability potential and are at a stage where they require focused leadership and management attention. The nature of risk and competition involved in each of these businesses is distinct from others and consequently each business or undertaking is capable of attracting a different set of investors, strategic partners, lenders and other stakeholders. There are also differences in the manner in which each of these businesses are required to be managed. In order to enable distinct focus of investors to invest in some of the key businesses and to lend greater focus to the operation of each of its diverse businesses, the Applicant Company proposes to re-organize and segregate by way of a demerger, its business and undertakings engaged in:

- (i) Coal based power generation, distribution and transmission which comprises the Coal Based Energy Undertaking, and includes specifically all investments of the Applicant Company in Reliance Energy Limited (REL), Hirma Power Private Limited, Reliance Thermal Energy Private Limited, Jayamkondam Power Private Limited, Reliance Power Limited and other assets through which the Demerged Company carries on its business, activities and operations pertaining to coal based power, as described in Part 'A' of Schedule I to the Scheme of Arrangement.

- (ii) Gas based power generation, distribution and transmission which comprises the Gas Based Energy Undertaking, and includes specifically all investments of the Applicant Company in Reliance Patalganga Power Limited and all assets through which the Applicant Company carries on its business activities and operations pertaining to gas based power as described in Part 'A' of Schedule II to the Scheme of Arrangement.
- (iii) Financial services including insurance which comprises the Financial Services Undertaking, and includes specifically all investments of the Applicant Company in Reliance Capital Limited, Reliance Life Insurance Company Limited and Reliance General Insurance Company Limited and other assets through which the Applicant Company carries on its business, activities and operations pertaining to financial services business (including insurance), as described in Part 'A' of Schedule III to the Scheme of Arrangement.
- (iv) Wireless & Wireline telecommunication services which comprises the Telecommunication Undertaking, and includes specifically all investments of the Applicant Company in Reliance Infocomm Limited, Reliance Communications Infrastructure Limited, Reliance Telecom Limited and World Tel Holdings Limited through which the Applicant Company carries on its business, activities and operations pertaining to telecommunications, as described in Part 'A' of Schedule IV to the Scheme of Arrangement.

20. With a view to achieve greater management focus and keeping in mind the paramount and overall interest of the shareholders of the Applicant Company, the Board of Directors of the Applicant Company believe that Shri Anil D. Ambani, the erstwhile Vice Chairman and Managing Director of the Applicant Company, will provide such focussed management attention and leadership to the financial services, power and telecom businesses of the Applicant Company comprising the Demerged Undertakings, and Shri Mukesh D. Ambani, the Chairman and Managing Director of the Applicant Company, will continue to lead the other businesses, including petrochemicals, oil and gas exploration and production, refining and textiles and other businesses comprising the Remaining Undertaking.

Consistent with the above, the Board of Directors of the Applicant Company considered that a Scheme of Demerger would be the most appropriate methodology, as it is transparent and no shareholder suffers any detriment. Besides such a structure, unlocks value for the shareholders. Accordingly, pursuant to the proposed reorganisation and segregation by the Applicant Company in terms of the Scheme of Arrangement, the Applicant Company shall continue to be controlled and managed by Shri Mukesh D. Ambani and each of the Resulting Companies shall be controlled and managed by Shri Anil D. Ambani. Further, as an integral part of the demerger under the Scheme of Arrangement, the Applicant Company shall cause the Boards of Directors of each of the Resulting Companies to be reconstituted in such manner as is agreed between each Resulting Company and Shri Anil D. Ambani.

21. The demerger will also provide scope for independent collaboration and expansion without committing the existing organization in its entirety.
22. The Board of Directors of the Applicant Company are of the opinion that the demerger would benefit the shareholders, employees and other stakeholders of the Applicant Company.
23. It is therefore proposed that each of the Applicant Company's undertakings comprising its interests and strategic investments in (i) coal based power business; (ii) gas based power business; (iii) financial services business; and (iv) telecommunication business be segregated and demerged, pursuant to Scheme of Arrangement under Sections 391 to 394 of the Act, and transferred to separate companies for achieving independent focus in these areas. The Applicant Company will continue its

interests in the businesses of petrochemicals, refining, oil and gas exploration & production and textiles and other businesses and develop new areas in the economic development of the country.

24. With the aforesaid objective, each of the Resulting Companies is intended to give effect to the terms of the Scheme of Arrangement.

25. The demerger of the Coal Based Energy Undertaking, Gas Based Energy Undertaking, Financial Services Undertaking and Telecommunication Undertaking of the Applicant Company under the Scheme of Arrangement will be effected under the provisions of Sections 391 to 394 of the Act. The demerger complies with the provisions of Section 2(19AA) of the Income Tax Act, 1961, such that:

- (i) All the properties of the Demerged Undertakings being transferred by the Applicant Company immediately before the demerger become the properties of the respective Resulting Companies by virtue of the demerger;
- (ii) All the liabilities relating to the Demerged Undertakings being transferred by the Applicant Company, immediately before the demerger become the liabilities of the respective Resulting Companies by virtue of the demerger;
- (iii) The properties and the liabilities, if any, relating to the Demerged Undertakings being transferred by the Applicant Company are transferred to the respective Resulting Companies at the values appearing in the books of account of the Applicant Company immediately before the demerger;
- (iv) Each of the Resulting Companies issues shares to the shareholders of the Applicant Company (except certain Specified Shareholders, as defined hereinafter) in consideration of the demerger on a proportionate basis;
- (v) All shareholders of the Applicant Company (except certain Specified Shareholders, as defined hereinafter) shall become the shareholders of each of the Resulting Companies by virtue of the demerger; and
- (vi) The transfer of the Demerged Undertakings will be on a going concern basis.

26. Both the Applicant Company and its wholly owned subsidiary, Reliance Industrial Investments and Holdings Limited ("RIIHL") had held shares in the erstwhile Reliance Petroleum Limited ("RPL"). Upon the amalgamation of RPL with the Applicant Company, the shares of the Applicant Company to be issued against the shares held by RIHL in RPL were allotted to the Trustees of the Petroleum Trust (a private trust, whose sole beneficiary is RIHL, which is a wholly owned subsidiary of the Applicant Company) and they hold approximately 7.5% of the paid up capital of the Applicant Company. Likewise Reliance Polyolefins Private Limited, Reliance Aromatics and Petrochemicals Private Limited, Reliance Energy and Project Development Private Limited, and Reliance Chemicals Private Limited were issued shares of the Applicant Company against their shareholding in RPL which was funded by the Applicant Company for the economic benefit of the shareholders of the Applicant Company and they hold approximately 4.7% of the paid up capital of the Applicant Company. The Trustees of the Petroleum Trust and the aforesaid four companies (viz. Reliance Polyolefins Private Limited, Reliance Aromatics and Petrochemicals Private Limited, Reliance Energy and Project Development Private Limited, and Reliance Chemicals Private Limited) are collectively defined as the "Specified Shareholders" in the Scheme of Arrangement. The economic benefits of shares of the Applicant Company held by the Petroleum Trust and by the aforesaid four companies have been for the benefit of the Applicant Company's shareholders. The intent of the said Trustees and the Board of Directors of the said four Companies is to enable the Applicant Company's shareholders to directly benefit from the shares of the Applicant Company held by the

said Specified Shareholders. In furtherance of such intent and in order to ensure that the demerger of the four undertakings of the Applicant Company is effectively achieved, the Specified Shareholders have communicated to the Applicant Company that no shares of the Resulting Companies be issued to them. Consequently, the Scheme of Arrangement provides that the shares of the Resulting Companies would not be issued to the Specified Shareholders. Though no additional shares of the Resulting Companies would be required to be issued to the shareholders of the Applicant Company as a result of the decision by the Specified Shareholders not to take up their entitlement, the proportionate value of the Shares of each Resulting Company issued and allotted to each shareholder of the Applicant Company (other than the Specified Shareholders) would have an enhanced value.

27. The salient features of the Scheme of Arrangement are:-

- (i) "Effective Date" has been defined in the Scheme of Arrangement to mean the last of the dates on which the conditions and matters referred to in Clause 23.1 of the Scheme of Arrangement occur or have been fulfilled or waived and the Order of the High Court sanctioning the Scheme of Arrangement is filed with the Registrar of Companies by the Demerged Company and each of the Resulting Companies.

PREAMBLE

A. Description of Companies:

- (a) The Reliance group, which comprises the Demerged Company (Transferor Company), viz. Reliance Industries Limited ("RIL") its subsidiaries and other affiliate companies is one of the largest business groups in India, and RIL, the flagship company of the group, is one of India's largest private sector industrial enterprises. Over the years, RIL embarked on a process of vertical integration and at the same time ventured into new areas of business.
- (b) RIL was originally engaged in trading of yarn and subsequently, expanded into manufacturing and trading of textiles at its unit at Naroda, District Ahmedabad in the State of Gujarat. RIL ranks amongst the world's top 10 producers for almost all its major products. RIL's strategy has been to build leading market shares in the domestic market, pursue selective export opportunities, implement vertical integration, access leading technologies, achieve economies of scale, focus on financial management and invest in infrastructure projects. RIL has undertaken expansion, diversification and restructuring of its business by various routes including promoting new companies, investing in equity of companies, supplying equipment and manpower and acquiring rights and assuming liabilities in new ventures in order to ensure greater shareholder value.
- (c) To achieve its aforesaid objectives of vertical integration, expansion and diversification, RIL set up plants at Patalganga for

manufacture of polyester, fibre intermediates, and petrochemicals, followed by plants at Hazira for manufacture of petrochemicals through Reliance Petrochemicals Limited ("RPCL") and for manufacture of polymers through Reliance Polyethylene Limited ("RPEL") and Reliance Polypropylene Limited ("RPPL"). RIL also set up one of the largest greenfield refineries at Jamnagar in the State of Gujarat through Reliance Petroleum Limited ("RPL") for manufacture of petroleum products. With a view to enhance shareholder value RPCL, RPPL, RPEL and RPL were amalgamated with RIL in stages to make RIL a vibrant and economically strong corporate entity.

- (d) The growth of RIL enabled RIL to consider further backward integration and RIL successfully bid for offshore oil and gas fields and is engaged in oil and gas exploration and production at its oil and gas fields. RIL has been successful in locating gas fields capable of commercial exploration and is in the process of developing the same with a view to commencing the production and sale of gas.
- (e) RIL's operations capture value addition at every stage, from the production of crude oil and gas to polyester, polymers and chemical products, and finally to the production of textiles. RIL consolidated its strengths in the petrochemicals business by acquiring, through Reliance Petroinvestments Limited, from Government of India, a substantial stake in Indian Petrochemicals Corporation Limited ("IPCL").
- (f) In order to maximize shareholder value, RIL decided to expand into financial services business and into the business of telecommunications as also to participate in the ongoing process of consolidation in the energy sector in the country, as follows:
- (i) RIL's business vision clearly included its foray into the power sector, which is an important constituent of the energy sector and has tremendous synergy with the hydrocarbon sector in which RIL is one of the leading players. RIL acquired considerable experience in the energy sector by setting up captive power projects for all its manufacturing and production plants. RIL commenced its external foray in the power sector by planning to set up power plants in Jamnagar, Gujarat (Reliance Power), Orissa (Hirma Power) and Tamil Nadu (Jayamkondam Power). RIL appointed a dedicated team of executives drawn in house and from the power industry for undertaking the work of development of these projects. In pursuance of its foray in the power sector, RIL decided to make a strategic investment in Reliance Energy Limited ("REL") (formerly BSES Limited), which is engaged in the generation of coal based power at Dahanu, Maharashtra and also in the business of transmission and distribution of power to consumers in Mumbai, Delhi, Orissa, Goa, etc. In view of the established power generation capacity and network of transmissions and distribution lines of REL, RIL decided that the investment in REL would be more prudent in a business sense, than the setting up of a greenfield project by itself, and accordingly, RIL acquired an equity shareholding and management control of REL. The strategic investment in the equity shares of REL was made by RIL directly as well as through its wholly owned subsidiary, Reliance Power Ventures Limited ("RPVL"). RIL made two open offers to acquire further shares of REL under the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 1997. The first open offer was made in May, 2000 and the second open offer was made in December, 2002. RIL ultimately acquired management control of REL after the second open offer was concluded in March, 2003. RIL is the single largest shareholder of REL. After acquiring the business of REL, RIL consolidated its power business in REL by bringing its future power projects under REL's fold and also assigning its dedicated team of executives working on power projects to REL. RIL has powers to nominate or appoint majority directors on the Board of REL as per Articles of Association of REL. The management and employees of RIL have been actively involved in overseeing and monitoring the various aspects of the business of REL. The name of the company

(viz. REL) which was undertaking the energy business was altered from BSES Limited to Reliance Energy Limited i.e. REL and the "Reliance" name and logo as well as the brand equity of "Reliance" has been used to support and promote the said power business. The abovementioned businesses as an integrated whole (other than captive power projects for RIL's manufacturing plants), constitute the Coal Based Energy Undertaking of RIL.

(ii) RIL's foray into the power business got a great boost with the discovery of gas in its exploration blocks on the eastern coast of India. This facilitated RIL to expand its activities in the gas based energy business where gas could be used as a primary fuel. This allows integration of the gas to power value chain and enables exploiting of the synergies therein. Consequently, REL has announced setting up of gas based power generation projects in India. RIL proposes to use part of its gas discoveries for the generation of power for which purpose an appropriate gas supply arrangement will be entered into between RIL and Global Fuel Management Services Limited, pursuant to which gas will be supplied to REL for their power projects, including Reliance Patalganga Power Limited, for the generation of power. The above mentioned business of supply of gas to REL for their power projects including Reliance Patalganga Power Limited, for generation of power as an integrated whole, constitute the Gas Based Energy Undertaking of RIL.

(iii) RIL made its foray into the financial services business by promoting and setting up a new company, namely, Reliance Capital Limited (formerly known as Reliance Capital and Finance Trust Limited) (hereinafter referred to as "RCL") to carry on business activities in traditional finance areas of leasing, merchant banking, etc. RIL expanded its financial business into stock broking and trading by causing RCL to set up a subsidiary (known as Reliance Share and Stock Brokers Private Limited) to carry on the business of stock broking and trading in 1994. During the financial year 1995-96, RIL made a foray into the mutual fund business through RCL by sponsoring a mutual fund (viz. Reliance Mutual Fund) and by setting up an asset management company and trustee company for the purposes of carrying on mutual fund activities. As a part of its foray in the financial services business, RIL set up Reliance Life Insurance Company Limited ("Reliance Life") and Reliance General Insurance Company Limited ("Reliance General") for undertaking life and general insurance business respectively. At the time of promotion, RIL had provided various assurances and undertakings to concerned authorities based on which licenses have been issued. Subsequently, RIL transferred its shareholding to the extent of 75% in these companies to RCL. While the business of Reliance General has made significant progress, the business in Reliance Life has yet to start. The "Reliance" name and logo as well as the brand equity of "Reliance" were used to establish and promote various financial products launched as part of the mutual fund business and the general insurance business. Further, RIL provided the necessary infrastructure, support, expertise and experience available with it to ensure that the financial services business progressed smoothly in the nascent stage. RIL provided the initial funds required for setting up the aforesaid financial services business and the management of RIL was actively involved in the process of setting up as well as overseeing and monitoring the various aspects of its financial services business. The respective businesses were promoted in separate companies from the point of view of providing better visibility and maximizing shareholder value as well as to provide autonomy in the day-to-day functioning of the businesses. The abovementioned businesses as an integrated whole, constitute the Financial Services Undertaking of RIL.

(iv) RIL also ventured into the business of providing telecommunication services, once the Indian telecommunication sector was opened up by the Government to private sector participation. The business

of telecommunication services provided an excellent business opportunity to RIL in view of the tremendous potential for growth of the business both domestically as well as in overseas markets. RIL promoted Reliance Telecom Limited ("RTL") for providing cellular mobile telephone services using the GSM technology in East and North-East India and basic telephone services in the State of Gujarat. RIL subsequently promoted Reliance Communications Infrastructure Limited ("RCIL") for setting up the backbone infrastructure required for its telecom operations and simultaneously also promoted and set up Reliance Infocomm Limited ("RIC") for providing wireless services based on CDMA technology, wireline telecommunication services and broadband services in various parts of India. The "Reliance" name and logo as well as the brand equity of "Reliance" were used to establish and promote various telecom services launched by RTL, RCIL and RIC. Further, RIL provided the necessary manpower, infrastructure support, expertise and experience by assigning teams of employees to oversee the launch of its telecom services by RTL, RCIL and RIC and ensure that its telecom business progressed smoothly in the nascent stage. The support of RIL's countrywide dealer network was solicited to effectively market the telecom services. All these projects were supported by RIL initially by providing guarantees to DoT for obtaining licenses to provide such telecom services. The management of RIL was actively involved in the process of setting up as well as overseeing and monitoring the various aspects of the telecom services business. The various telecom services were promoted in separate companies from the point of view of meeting regulatory requirements, providing better visibility and maximizing shareholder value as well as to provide autonomy in the day-to-day functioning of the businesses. Apart from the above, RIL also provided several of its assets to the telecom business. In January 2004, in order to further strengthen its international telecommunication business, RIC acquired Bermuda based FLAG Telecom Group Limited which owns submarine cable systems in international waters. The abovementioned businesses carried on by RIL through RTL, RCIL and RIC, as an integrated whole, constitute the Telecommunication Undertaking of RIL.

(g) Based on the aforesaid, RIL's several businesses carried on by itself and through its subsidiaries and affiliate companies and through strategic investments in other companies can broadly be segregated into the following areas: (i) petrochemicals; (ii) refining; (iii) oil and gas; (iv) textiles; (v) coal based power generation; (vi) gas based power generation (vii) financial services business including insurance business; and (viii) telecommunications.

B. Rationale for the Scheme of Arrangement:

(a) Each of the several businesses carried on by RIL by itself and through its subsidiaries and affiliate companies and through strategic investments in other companies including Coal Based Energy Undertaking, Gas Based Energy Undertaking, Financial Services Undertaking and Telecommunication Undertaking have significant potential for growth. The nature of risk and competition involved in each of these businesses is distinct from others and consequently each business or undertaking is capable of attracting a different set of investors, strategic partners, lenders and other stakeholders. There are also differences in the manner in which each of these businesses are required to be managed. In order to enable distinct focus of investors to invest in some of the key businesses and to lend greater focus to the operation of each of its diverse businesses, RIL proposes to re-organize and segregate, by way of a demerger, its business and undertakings engaged in:

(i) Coal based power generation, distribution and transmission – Coal Based Energy Undertaking.

- (ii) Gas based power generation, distribution and transmission – Gas Based Energy Undertaking
 - (iii) Financial services including insurance – Financial Services Undertaking.
 - (iv) Wireless & Wireline telecommunication services– Telecommunication Undertaking.
- (b) Each of these businesses have tremendous growth and profitability potential and are at a stage where they require focused leadership and management attention. Hence, simultaneously, with the re-organisation and segregation of businesses, RIL also intends to re-organise the management of various businesses and undertakings to provide focused management attention and leadership required by the businesses which are to be segregated and demerged. In particular, Shri Anil D. Ambani, the erstwhile Vice Chairman & Managing Director of RIL would take responsibility for providing such focused management attention and leadership to the segregated and demerged businesses whereas Shri Mukesh D. Ambani, Chairman & Managing Director of RIL would continue to lead the businesses retained by RIL including, in particular petrochemicals, refining, oil and gas exploration and production, textiles and other businesses.
- (c) It is believed that the proposed segregation will create enhanced value for shareholders and allow a focused strategy in operations, which would be in the best interest of RIL, its shareholders, creditors and all persons connected with RIL. The demerger proposed by this Scheme of Arrangement will enable investors to separately hold investments in businesses with different investment characteristics thereby enabling them to select investments which best suit their investment strategies and risk profiles.
- (d) The demerger will also provide scope for independent collaboration and expansion without committing the existing organization in its entirety.
- (e) With the aforesaid objective, it is proposed to demerge RIL's undertakings comprising RIL's interests and strategic investments in (i) coal based power business; (ii) gas based power business; (iii) financial services business including insurance, and (iv) telecommunications business from RIL's interests in the multi-location, vertically integrated, businesses in petrochemicals, refining, oil and gas and textiles and other businesses.
- (f) The Board of Directors of the Demerged Company are of the opinion that the demerger would benefit the shareholders, employees and other stakeholders of the Demerged Company.

- (c) In furtherance of the aforesaid, this Scheme of Arrangement provides for:

- (i) the demerger of the Coal Based Energy Undertaking (as defined hereinafter) from RIL to the Coal Based Energy Resulting Company;
- (ii) the demerger of the Gas Based Energy Undertaking (as defined hereinafter) from RIL to the Gas Based Energy Resulting Company;
- (iii) the demerger of the Financial Services Undertaking (as defined hereinafter) from RIL to the Financial Services Resulting Company;
- (iv) the demerger of the Telecommunication Undertaking (as defined hereinafter) from RIL to the Telecommunication Resulting Company;
- (v) various other matters consequential or otherwise integrally connected herewith, including the reorganization of the capital of RIL and the Resulting Companies;

C. Purpose of the Scheme:

- (a) It is therefore proposed that each of RIL's undertakings comprising RIL's interests and strategic investments in (i) coal based power business; (ii) gas based power business; (iii) financial services business; and (iv) telecommunication business be segregated and demerged, pursuant to a Scheme of Arrangement under Sections 391 to 394 of the Companies Act, 1956 and transferred to separate companies for achieving independent focus in these areas. RIL will continue its interests in the businesses of petrochemicals, refining, oil and gas exploration & production and textiles and develop new areas in the economic development of the country.
- (b) With the aforesaid objective, each of the Resulting Companies is intended to give effect to the terms of this Scheme of Arrangement.

The Coal Based Energy Resulting Company (1st Transferee Company) has been incorporated with one of its main objects as:

(d) The demerger of the Coal Based Energy Undertaking, Gas Based Energy Undertaking, Financial Services Undertaking and Telecommunication Undertaking of RIL under this Scheme of Arrangement will be effected under the provisions of Sections 391 to 394 of the Companies Act, 1956. The demerger complies with the provisions of Section 2(19AA) of the Income Tax Act, 1961, such that:

- (i) All the properties of the Demerged Undertakings (as defined hereinafter) being transferred by RIL immediately before the demerger become the properties of the respective Resulting Companies by virtue of the demerger;
- (ii) All the liabilities relating to the Demerged Undertakings being transferred by RIL, immediately before the demerger become the liabilities of the respective Resulting Companies by virtue of the demerger;
- (iii) The properties and the liabilities, if any, relating to the Demerged Undertakings being transferred by RIL are transferred to the respective Resulting Companies at the values appearing in the books of account of RIL immediately before the demerger;
- (iv) Each of the Resulting Companies issue shares to the shareholders of RIL (except certain Specified Shareholders, as defined hereinafter) in consideration of the demerger on a proportionate basis;
- (v) All shareholders of RIL (except certain Specified Shareholders, as defined hereinafter) shall become the shareholders of each of the Resulting Companies by virtue of the demerger; and
- (vi) The transfer of the Demerged Undertakings will be on a going concern basis.

(e) Both RIL and its wholly owned subsidiary, Reliance Industrial Investments and Holdings Limited ("RIIHL") had held shares in the erstwhile RPL. Upon the amalgamation of RPL with RIL, the shares of RIL to be issued against the shares held by RIHL in RPL were allotted to the Trustees of the Petroleum Trust (a private trust, whose sole beneficiary is RIHL, which is a wholly owned subsidiary of RIL) and they hold approximately 7.5% of the paid up capital of RIL. Likewise Reliance Polyolefins Private Limited, Reliance Aromatics and Petrochemicals Private Limited, Reliance Energy and Project Development Private Limited, and Reliance Chemicals Private Limited were issued shares of RIL against their shareholding in RPL which was funded by RIL for the economic benefit of the shareholders of RIL and they hold approximately 4.7% of the paid up capital of RIL. The Trustees of the Petroleum Trust and the aforesaid four companies (viz. Reliance Polyolefins Private Limited, Reliance Aromatics and Petrochemicals Private Limited, Reliance Energy and Project Development Private Limited, and Reliance Chemicals Private Limited) are collectively defined as the "Specified Shareholders" in this Scheme. The economic benefits of shares of RIL held by Petroleum Trust and by the aforesaid four companies have been for the benefit of RIL's shareholders. The intent of the said Trustees and the Board of Directors of the said four Companies is to enable RIL's shareholders to directly benefit from the shares of RIL held by the said Specified Shareholders. In furtherance of such intent and in order to ensure that the demerger of the aforesaid four undertakings of RIL is effectively achieved, the Specified Shareholders have communicated to RIL that no shares of the Resulting Companies be issued to them. Consequently, the Scheme of Arrangement provides that the shares of the Resulting Companies would not be issued to the Specified Shareholders. Though no additional shares of the Resulting Companies would be required to be issued to the shareholders of RIL as a result of the decision by the Specified Shareholders not to take up their entitlement, the proportionate value of the Shares of each Resulting Company issued and allotted to each shareholder of RIL (other than the Specified Shareholders) would have an enhanced value.

4.2 *Contracts, deeds, etc.*

(a) Upon the coming into effect of this Scheme and subject to the provisions of this Scheme, all contracts, deeds, bonds, agreements, schemes, arrangements and other instruments of whatsoever nature in relation to the Demerged Undertakings to which the Demerged Company is a party or to the benefit of which the Demerged Company may be eligible, and which are subsisting or have effect immediately before the Effective Date, shall continue in full force and effect on or against or in favour of, as the case may be, the relevant Resulting Company in which the respective Demerged Undertaking vests by way of the demerger hereunder and may be enforced as fully and effectually as if, instead of the Demerged Company, such Resulting Company had been a party or beneficiary or obligee thereto or thereunder.

(b) Without prejudice to the other provisions of this Scheme and notwithstanding the fact that vesting of the Demerged Undertakings occurs by virtue of this Scheme itself, each of the Resulting Companies may, at any time after the coming into effect of this Scheme in accordance with the provisions hereof, if so required under any law or otherwise, take such actions and execute such deeds (including deeds of adherence), confirmations or other writings or tripartite arrangements with any party to any contract or arrangement to which the Demerged Company is a party or any writings as may be necessary in order to give formal effect to the provisions of this Scheme. Each of the Resulting Companies shall, under the provisions of Part II of this Scheme, be deemed to be authorised to execute any such writings on behalf of the Demerged Company and to carry out or perform all such formalities or compliances referred to above on the part of the Demerged Company to be carried out or performed.

(c) For the avoidance of doubt and without prejudice to the generality of the foregoing, it is clarified that upon the coming into effect of this Scheme, all consents, permissions, licences, certificates, clearances, authorities, powers of attorney given by, issued to or executed in favour of the Demerged Company in relation to each of the Demerged Undertakings shall stand transferred to the relevant Resulting Company in which the respective Demerged Undertaking shall vest by way of the demerger hereunder, as if the same were originally given by, issued to or executed in favour of such Resulting Company, and such Resulting Company shall be bound by the terms thereof, the obligations and duties thereunder, and the rights and benefits under the same shall be available to such Resulting Company. The Resulting Companies shall make applications to and obtain relevant approvals from the concerned Governmental Authorities as may be necessary in this behalf.

(d) It is clarified that if any assets (estate, claims, rights, title, interest in or authorities relating to such assets) or any contract, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in relation to any of the Demerged Undertakings which the Demerged Company owns or to which the Demerged Company is a party and which cannot be transferred to the relevant Resulting Company for any reason whatsoever, the Demerged Company shall hold such asset or contract, deeds, bonds, agreements, schemes, arrangements or other instruments of whatsoever nature in trust for the benefit of the relevant Resulting Company to which the respective Demerged Undertaking is being transferred in terms of this Scheme, insofar as it is permissible so to do, till such time as the transfer is effected.

4.3 *Transfer of liabilities*

4.3.1 (a) Upon the coming into effect of this Scheme, all debts, liabilities, loans raised and used, liabilities and obligations incurred, duties or obligations of any kind, nature or description (including contingent liabilities) of the Demerged Company (as on the Appointed Date) and relating to the Demerged Undertakings specified in Part B of Schedules I, II, III and IV, shall, without any further act or deed, be demerged from the Demerged Company and be and stand transferred to and be deemed to be transferred to the relevant Resulting Company to the extent that they are outstanding as on the Effective Date and on the same terms and conditions as applicable to the Demerged Company, and shall become the debts, liabilities, duties and obligations of the relevant Resulting Company which shall meet, discharge and satisfy the same.

(b) Where any of the debts, liabilities, loans raised and used, liabilities and obligations incurred, duties and obligations of the Demerged Company as on the Appointed Date deemed to be transferred to any of the Resulting Companies have been discharged by the Demerged Company after the Appointed Date and prior to the Effective Date, such discharge shall be deemed to have been for and on account of the relevant Resulting Company.

(c) All loans raised and used and all liabilities and obligations incurred by the Demerged Company for the operations of any Demerged Undertaking after the Appointed Date and prior to the Effective Date, shall, subject to the terms of this Scheme, be deemed to have been raised, used or incurred for and on behalf of the relevant Resulting Company in which the respective Demerged Undertaking shall vest in terms of this Scheme and to the extent they are outstanding on the Effective Date, shall also without any further act or deed be and stand transferred to and be deemed to be transferred to the relevant Resulting Company and shall become the debts, liabilities, duties and obligations of the said Resulting Company which shall meet discharge and satisfy the same. Provided however that no debts, liabilities, loans raised and used, liabilities and obligations incurred, dues and obligations shall have been assumed by the Demerged Company in relation to any Demerged Undertaking after the Appointed Date without the prior written consent of the relevant Resulting Company.

4.3.2 Without prejudice to Clause 4.3.1, all debentures, bonds or other debt securities, if any, of the Demerged Company relating to the liabilities comprised in the Demerged Undertakings, whether convertible into equity or otherwise (hereinafter referred to as the "**Debt Securities**") shall, pursuant to the provisions of Sections 391 to 394 and other relevant provisions of the Act, without any further act, instrument or deed, become the Debt Securities of the relevant Resulting Company on the same terms and conditions except to the extent modified under the provisions of this Scheme and all rights, powers, duties and obligations in relation thereto shall be and stand transferred to and vested in or be deemed to have been transferred to and vested in and shall be exercised by or against the relevant Resulting Company to the same extent as if it were the Demerged Company in respect of the Debt Securities so transferred.

4.3.3 (a) The demerger and the transfer and vesting of the assets comprised in the Demerged Undertakings to and in each of the relevant Resulting Companies under Clause 4.1 of this Scheme shall be subject to the mortgages and charges, if any, affecting the same as hereinafter provided.

(b) The existing securities, mortgages, charges, encumbrances or liens (the "**Encumbrances**") or those, if any created by the Demerged Company after the Appointed Date, in terms of this Scheme, over the assets comprised in any of Demerged Undertakings or any part thereof transferred to the respective Resulting Companies by virtue of this Scheme, shall, after the Effective Date, continue to relate and attach to such assets or any part thereof to which they related or attached prior to the Effective Date and as are transferred to the relevant Resulting Company, and such Encumbrances shall not relate or attach to

any of the other assets of that Resulting Company or the assets forming part of any other Demerged Undertaking transferred to the other Resulting Companies. Provided however that no Encumbrances shall have been created by the Demerged Company in relation to any of the Demerged Undertakings after the Appointed Date without prior written consent of the relevant Resulting Company.

(c) In so far as any Encumbrances over the assets comprised in the Demerged Undertakings are security for liabilities of the Remaining Undertaking retained with the Demerged Company, the same shall, on the Effective Date, without any further act, instrument or deed be modified to the extent that all such assets shall stand released and discharged from the obligations and security relating to the same and the Encumbrances shall only extend to and continue to operate against the assets retained with the Demerged Company and shall cease to operate against any of the assets transferred to the Resulting Companies in terms of this Scheme. The absence of any formal amendment which may be required by a lender or third party shall not affect the operation of the above.

(d) Without prejudice to the provisions of the foregoing clauses and upon the effectiveness of this Scheme, the Demerged Company and each of the Resulting Companies shall execute any instruments or documents or do all the acts and deeds as may be required, including the filing of necessary particulars and/or modification(s) of charge, with the Registrar of Companies, Maharashtra, Mumbai to give formal effect to the above provisions, if required.

(e) Upon the coming into effect of this Scheme, the Resulting Companies alone shall be liable to perform all obligations in respect of the liabilities, which have been transferred to them respectively in terms of the Scheme, and the Demerged Company shall not have any obligations in respect of such liabilities, and each of the Resulting Companies shall indemnify the Demerged Company in relation to any claim, at any time, against the Demerged Company in respect of the liabilities which have been transferred to the Resulting Companies.

(f) It is expressly provided that, save as mentioned in this Clause 4.3.3, no other term or condition of the liabilities transferred to the Resulting Companies is modified by virtue of this Scheme except to the extent that such amendment is required by necessary implication.

(g) Subject to the necessary consents being obtained in accordance with the terms of this Scheme, the provisions of this Clause 4.3.3 shall operate, notwithstanding anything to the contrary contained in any instrument, deed or writing or the terms of sanction or issue or any security document; all of which instruments, deeds or writings shall stand modified and/or superseded by the foregoing provisions.

PART IV

10. Provisions to prevail

The provisions of this Part IV shall operate notwithstanding anything to the contrary in this Scheme.

11. Reorganisation of share capital

12. Issue of shares by each Resulting Company

Demerged Company on the Record Date equity shares in the respective Resulting Company in the following ratios:

- (a) In the case of the Coal Based Energy Resulting Company, in the ratio of 1 (one) equity share in the Resulting Company of the face value of Rs.10/- (Rupees ten) each credited as fully paid-up for every 1 (one) equity share of Rs.10/- each fully paid-up held by such member or his/her/its heirs, executors, administrators or successors in the Demerged Company (the "**Coal Based Energy Share Entitlement Ratio**");
- (b) In the case of the Gas Based Energy Resulting Company, in the ratio of 1 (one) equity share in the Resulting Company of the face value of Rs.5/- (Rupees five) each credited as fully paid-up for every 1 (one) equity share of Rs.10/- each fully paid-up held by such member or his/her/its heirs, executors, administrators or successors in the Demerged Company (the "**Gas Based Energy Share Entitlement Ratio**");

12.2 (a) Pursuant to the provisions of Clause 12.1 above, each of the Resulting Companies shall issue to the Depository representing the holders of GDRs of the Demerged Company, shares of the Resulting Companies in accordance with the relevant Share Entitlement Ratio. Subject to Clause (b) below, the Depository of the Demerged Company shall hold such shares of the Resulting Companies on behalf of the holders of GDRs of the Demerged Company;

- (b)(i) Each of the Resulting Companies may, on or before expiry of 150 (One hundred and fifty) days from the Record Date, in consultation with the Depository for the GDR holders of the Demerged Company and by entering into appropriate agreements with the said Depository or any other Depository (appointed by the Resulting Companies) for the issuance of GDRs, (whether listed or otherwise), instruct such Depository to issue GDRs of the Resulting Companies, or any of them, to the holders of GDRs of the Demerged Company and any such issue of GDRs shall be irrevocably put in motion within the said period. Subject to sub-clause (ii) below, if the Resulting Companies have not had such GDRs issued as aforesaid, the Bank of New York as the Depository for the Demerged Company shall, without reference to the Resulting Companies, sell the shares of the Resulting Companies in the open domestic market and distribute the net sale proceeds to such GDR holders on a proportionate basis.

13. Specified Shareholders

- 13.1 RIIHL is the wholly-owned subsidiary of the Demerged Company and the sole beneficiary of the Petroleum Trust which holds approximately 7.5% of the paid up share capital of the Demerged Company. The Trustees of Petroleum Trust have decided that they will not take up their proportionate entitlement to shares in each Resulting Company for benefit of the other shareholders of the Demerged Company. Since the objective of this Scheme is to demerge the undertakings of the Demerged Company pertaining to power (both coal based and gas based), financial services business and telecommunications to the Resulting Companies and thereby effectively achieve separation of the Demerged Company's interests in the aforesaid businesses, each of the Resulting Companies will issue equity shares only to the shareholders of the Demerged Company (other than the Specified Shareholders), consequently, enhancing the value of the proportionate New Equity Shares issued to the shareholders of the Demerged Company (other than the Specified Shareholders) in view of the Trustees of the Petroleum Trust (a private trust, whose sole beneficiary is RIIHL, which is a wholly owned subsidiary of RIL), having decided not to take up their entitlement.
- 13.2 The economic benefit of shares of the Demerged Company held by Reliance Polyolefins Private Limited, Reliance Aromatics and Petrochemicals Private Limited, Reliance Energy and Project Development Private Limited and Reliance Chemicals Private Limited (which hold in the aggregate approximately 4.7% of the paid-up share capital of the Demerged Company) is for the benefit of the shareholders of the Demerged Company. The said four companies have decided that they will not take up their proportionate entitlement to shares in each Resulting Company for benefit of the other shareholders of the Demerged Company. In keeping with the foregoing benefit, each of the Resulting Companies will issue equity shares only to the shareholders of the Demerged Company (other than the Specified Shareholders), consequently, enhancing the value of the new equity shares issued to the shareholders of the Demerged Company (other than the Specified Shareholders) in view of Reliance Polyolefins Private Limited, Reliance Aromatics and Petrochemicals Private Limited, Reliance Energy and Project Development Private Limited and Reliance Chemicals Private Limited having decided not to take up their entitlement.

14. Other terms applicable to issue of shares

- 14.1 The equity shares to be issued by each of the Resulting Companies pursuant to Clause 12.1 above shall be issued in dematerialized form by each of the Resulting Companies, unless otherwise notified in writing by the shareholders of the Demerged Company to the relevant Resulting Company on or before such date as may be determined by the Board of Directors of the Demerged Company or a committee thereof. In the event that such notice has not been received by any of the Resulting Companies in respect of any of the members of the Demerged Company, the equity shares shall be issued to such members in dematerialised form provided that the members of the Resulting Companies shall be required to have an account with a depository participant and shall be required to provide details thereof and such other confirmations as may be required. In the event that a Resulting Company has received notice from any member that equity shares are to be issued in physical form or if any member has not provided the requisite details relating to his/her /its account with a depository participant or other confirmations as may be required or if the details furnished by any member do not permit electronic credit of the shares of the Resulting

Companies, then the Resulting Companies shall issue equity shares in physical form to such member or members.

- 14.2 In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholder of the Demerged Company, the Board of Directors or any committee thereof of the Demerged Company shall be empowered in appropriate cases, prior to or even subsequent to the Record Date, to effectuate such a transfer in the Demerged Company as if such changes in the registered holder were operative as on the Record Date, in order to remove any difficulties arising to the transferor or transferee of equity shares in the Resulting Companies issued by the Resulting Companies after the effectiveness of this Scheme.
- 14.3 The new equity shares issued and allotted by the Resulting Companies in terms of this Scheme shall be subject to the provisions of the Memorandum and Articles of Association of the Resulting Companies and shall inter-se rank *pari passu* in all respects.
- 14.4 Equity shares of the Resulting Companies issued in terms of Clause 12.1 of this Scheme will be listed and/or admitted to trading on the National Stock Exchange and the Bombay Stock Exchange where the shares of the Demerged Company are listed and/or admitted to trading in terms of the Securities and Exchange Board of India (Disclosure and Investor Protection) Guidelines, 2000. The Resulting Companies shall enter into such arrangements and give such confirmations and/or undertakings as may be necessary in accordance with the applicable laws or regulations for complying with the formalities of the said Stock Exchanges. On such formalities being fulfilled the said Stock exchanges shall list and / or admit such equity shares also for the purpose of trading.
- 14.5 For the purpose of issue of equity shares to the shareholders of the Demerged Company, the Resulting Companies shall, if and to the extent required, apply for and obtain the required statutory approvals including approval of Reserve Bank of India and other concerned regulatory authorities for the issue and allotment by the Resulting Companies of such equity shares.
- 14.6 The equity shares to be issued by the Resulting Companies pursuant to this Scheme in respect of any equity shares of the Demerged Company which are held in abeyance under the provisions of Section 206A of the Act or otherwise shall pending allotment or settlement of dispute by order of Court or otherwise, be held in abeyance by the Resulting Companies.
