Three unregistered ‘doctors’ arrested from Shivaji Nagar

One has a Bachelor of Homeopathy and Bhopal degree; the other two hold degrees in homeopathy and homoeopathy

EXPRESS SERVICE MUMBAI, January 22

A 45-year-old man was arrested from Glebe Society area in Mumbai’s Shivaji Nagar on Thursday after he gave a wrong treatment to a 17-year-old girl.

The man was arrested under provisions of the Medical Council Act, 1956, and will be produced in court on Saturday.

The accused is a resident of the area and works in a private clinic. He was arrested after the girl complained to the police about being treated by the accused.

The girl was referred to a hospital where she was treated for the injuries she sustained.

HATE APP CASE

Spread info defaming women: court while rejecting bail to three

EXPRESS SERVICE MUMBAI, January 22

The court rejected bail applications of three men who were accused of spreading divisive information on social media.

The accused were arrested under sections 153A and 295A of the Indian Penal Code for spreading information that is likely to create enmity between different communities.

The court said that the accused had posted content on social media platforms that was likely to create enmity and provocation.

The court also said that the accused had�åìnot only violated the law but also harmed the social fabric of the country.

EXPRESS SERVICE MUMBAI, January 22

An electrician working at a railway workshop in Mumbai was injured when he fell on a piece of equipment.

The electrician, who was working on a piece of electrical equipment, slipped and fell on the ground.

He was rushed to a hospital where he was treated for his injuries.

The matter is under investigation by the Railway Police.
## Essar Capital appoints SAIL ex-chairman AK Chaudhary as CEO of metals, mining operations

Essar Capital, the investment arm of Essar Group, has appointed the former chairman of Steel Authority of India (SAIL) and ex-chairman of Waltair Refinery Limited, Akhil Kumar Chaudhary, as the chairman of its steel and mining company, Essar Steel Australia Pty Ltd, according to a statement issued by the group.

This is the first major appointment since Essar Capital took over SAIL’s steel business in December 2020. Essar Capital, a $3 billion market capitalisation firm, had entered the steel business with the acquisition of SAIL’s steelworks at Digha in West Bengal, which has an annual capacity of 3.8 million tonnes.

Chaudhary, who has over 50 years of experience in the steel industry, will focus on reinvigorating the steel business and achieving its full potential. He will work closely with the Essar Capital team to drive growth and profitability and lead the company towards sustainability and responsible business practices.

## Vikram Dev Dutt takes charge as Air India CMD

Vikram Dev Dutt has taken charge as the new chairman and managing director of Air India, the state-owned carrier announced in a statement.

Dutt, who has extensive experience in the aviation sector, took over on Tuesday, January 4, following the exit of Ashwani Lohani. He will be responsible for driving the turnaround of Air India, which has been struggling with debt and operational challenges.

## National Fittings Limited

National Fittings Limited, a manufacturer of industrial pipe fittings, has posted revenues of Rs 38.82 crore in the quarter ended December 2021, up from Rs 30.60 crore in the corresponding period of the previous year. The company’s net profit for the quarter was Rs 8.95 crore, compared to Rs 3.57 crore in the previous year.

## Reliance Industries Limited

Reliance Industries Limited (RIL) has announced its results for the quarter ended December 2021. The company reported a net profit of Rs 16,545 crore, up 115% from Rs 7,623 crore in the corresponding period of the previous year. The company’s revenue for the quarter was Rs 131,316 crore, up 41% from Rs 92,974 crore.

RIL’s Chairman Mukesh Ambani said, “Reliance continues to emerge as the most resilient and fastest-growing business in the world. Our performance in Q4FY22 is another testimony to our ability to innovate, drive efficiency and execute with excellence.”
