81% OF BEDS IN MUMBAI FOR COVID PATIENTS OCCUPIED

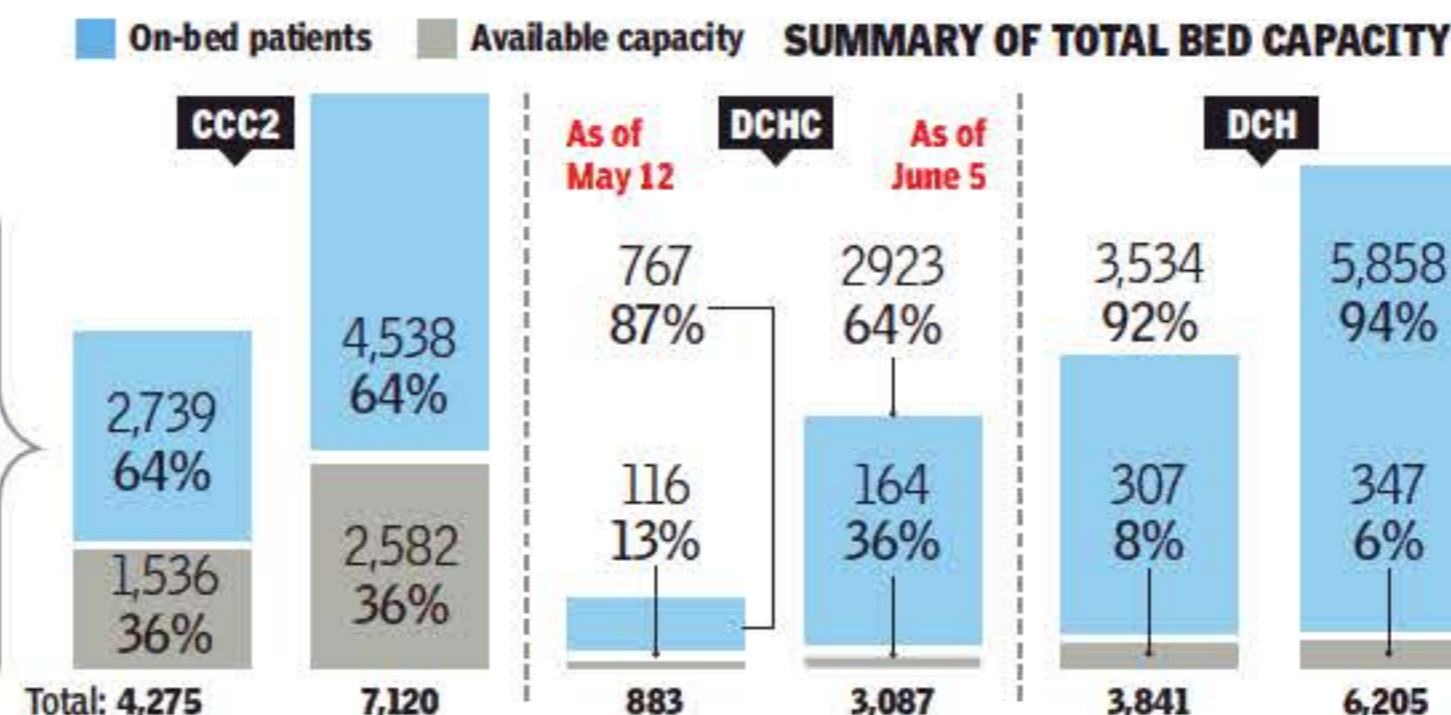

With an increasing number of people testing positive for Covid-19 in Mumbai, there is an urgent need to boost bed capacity across various care facilities. Though beds have been increased by almost 80% in 24 days, they have also been occupied at an almost equal rate. **Richa Pinto reports**

Gas leak at pharma co in Govandi causes panic

Mumbai: A gas leak was reported from U S Vitamin India Ltd, a pharmaceutical company in Govandi (east) on Saturday night, which caused panic in parts of the eastern suburbs, said fire brigade officials. Chief fire officer P S Rahangade confirmed the source of the gas leak, and at the time of going to press, the fire brigade had deployed fire engines to the spot and was investigating the leak. The BMC disaster control room received several calls about a foul odour from parts of the city's eastern suburbs late on Saturday, and at first there was no confirmation on the source. The city fire brigade received complaints about a suspected gas leak from residents in Chembur, Ghatkopar, Kanjurmar, Vikhroli and Powai. Cabinet minister Aaditya Thackeray tweeted, "With regards to the foul odour across some parts of Mumbai, as of now the Mumbai Fire Brigade has been activated with its SoPs. I appeal to all to stay indoors, not panic. Close your windows. @mybmc is actively monitoring this situation." Rahangade said that residents should take precaution by using a wet towel or handkerchief if a case of serious gas inhalation is reported. Mahanagar Gas Ltd officials said the smell had nothing to do with MGL. A senior official said, "MGL has been receiving complaints about a gas smell from various parts of Mumbai since 10pm. Our emergency teams went to the sites, and we are checking our pipeline systems, but have not come across any breach which could cause a gas leak." **TMN**

Covid ICU beds double to 1k, but experts say more needed

Maalathy Iyer & Richa Pinto | TMN

Mumbai: Even as the number of ICU beds meant for Covid-19 patients in the city has more than doubled to 1,097 over the past fortnight, experts say more are needed. Not surprisingly then, a senior BMC official told TOI there are plans to increase ICU beds in the coming days. "This will be done by starting ICU facilities in Jumbo Covid-19 centres created at MM-RDA grounds at Bandra-Kurla Complex and Nesco in Goregaon," said the official. "Any patient whose vital parameters are below normal would need an ICU bed," said a civic doctor. Infectious diseases specialist Dr Om Srivastava, a member of the state government's Covid task force, said there is still an acute need for

NMMC to hosps: Reserve 80% beds

With a rising number of coronavirus positive cases in Navi Mumbai, the NMMC commissioner on Saturday directed private hospitals to keep 80% beds reserved for Covid-19 patients. The civic chief has warned that refusal to accommodate and treat Covid patients will invite action under Maharashtra Essential Services Maintenance Act, 2006. NMMC commissioner Anshub Misal said, "We have asked private hospitals to put aside 80% of beds for Covid-19 patients, which could be utilized as and when required. Action will be initiated against doctors and staff for failure to comply with the order under MESMA." — **B B Nayak**

more ICU beds. A south Mumbai private hospital, which increased its ICU beds from 14 to 42 in the past few weeks, said it still has a waiting list of patients. "It is shorter than before, but we still do have a list," said a doctor. On May 13, before the state directed all private hospitals to allow the BMC to take over 80% beds, including ICU, the corporation had 438 ICU beds

global cities has shown roughly 3% of Covid patients get severely ill and need intensive care and/or ventilator support. Considering that Covid deaths in Mumbai stand at 1,519, doctors say a huge number of patients will benefit from an ICU facility. Vishwas Mote, assistant municipal commissioner of K-West Ward, said they managed 70 beds for Covid patients, including ICU, from BSES Municipal General Hospital in Andheri West. "A letter has been sent to more hospitals." In G-North Ward (Dadar and Mahim), assistant municipal commissioner Kiran Dighavkar has set up a dedicated 200-bed Covid healthcare centre opposite Mahim Nature Park for mildly ill patients. "Now, we are focusing on getting ICU beds in nursing homes in the locality."

BEST's union says standees in buses will risk staff lives

Mumbai: BEST Workers' Union on Saturday said an "internal notice" to bus conductors that commuters can sit on all seats and there can be five standees was a blatant violation of social distancing, and would put commuters and staff at risk. Union leader Shashank Rao wrote to BEST general manager Surendrakumar Bagde about the objections. "The state government rule had mentioned that no bus should carry standees. The notice at bus depots, and written on blackboards for conductors, said all seats can be occupied, which is unwarranted," he said. But Bagde said there will be one passenger for every two seats. A senior official said the standees will be told to maintain distance. Meanwhile, MSRTC will operate 250 more buses, of which 150 will ferry commuters to Mantralaya and BMC from Panvel, Palghar, Asangaon, Virar, Nalasopara, Vasai and Badlapur. — **Somit Sen.**

₹8,000 for ambulance ride: Owner says drivers few, costs high

Mumbai: A day after Kurla resident Kabirun Nisa was admitted to Habib Hospital with symptoms of novel coronavirus infection, she was found Covid-19 positive on Tuesday. Nisa's brother-in-law Mohammed Mudassar Shaikh looked for an ambulance on JustDial. "I was directed to contact Mobile Care, an ambulance service in Jarjimar. They sent an ambulance and said they would charge Rs 10,000," he said. Shaikh, who had bought the BMC polls on a Samajwadi Party ticket and lost from Ward No. 168, Kurla, in 2017, said the patient needed oxygen and a regular vehicle was risky. So, he bargained and brought the fare down to Rs 8,000. Nisa was moved in the ambulance from Habib to Fauzia Hospital, 200 metres away. Shaikh then went to pay the driver. "I told him to take a little less. We were ready to pay even for the PPE kits he had used. His owner, Mohammed

Actor helps 173 fly to Dehradun

After sending over 12,000 stranded migrants in the city back to their home states on buses and airlifting 167 of them to Bhubaneswar from Kochi, actor Sonu Sood funded a chartered flight to help 173 migrant workers fly from the city to Dehradun in an AirAsia aircraft. The Airbus A320 landed at the Jolly Grant Airport on Friday evening. Uttarakhand CM Trivendra Singh Rawat invited Sood to visit and shoot in his state. **TMN**

Ismaeel, would not take less than Rs 8,000," Shaikh said. Owner Ismaeel said most drivers had left the city in the lockdown and costs were high. "Around 80% of ambulances are standing still as there are not enough drivers to operate them. We have to pay for the sanitisers and the PPE kits of three staffers per ambulance. Where will we get to pay for all that unless we get adequate fare?" Ismaeel said.

5 IAS officers, 2 auditors to ensure pvt hosps do not flout beds rule for corona patients

Vijay V. Singh@timesgroup.com

Mumbai: Following complaints that 35 prominent private hospitals have not shared enough beds with the BMC for Covid-19 patients, the state government has deputed five IAS officers and two auditors to ensure their availability. The officials will check admitted patients in these hospitals and their total bed capacity, and the details will be posted on the BMC's website dashboard. The government has mandated that 80% beds in all private hospitals be reserved for Covid patients and other emergency cases. Hospital manage-

ments can charge these patients according to government-fixed rates. The BMC will create separate email IDs of these officials, where one can complain in case hospitals overcharge them for the reserved beds. Several hospitals have reserved fewer beds with the BMC, stating they are occupied by other patients or citing staff shortage. Earlier, the BMC had appointed deputy municipal commissioners to resolve the beds issue with these hospitals but in vain. The government then decided to appoint IAS officers to check details of these hospitals with the help of auditors and ensure they share all the 80% reserved

beds with the BMC. The IAS officers are Madan Nagargoje, Ajit Patil, Radhakrishnan, Sushil Khodvekar and Prashant Naravre. Earlier, the government had asked Nagargoje, Patil, Sushil Khodvekar and Balaji Manjule to look into the matter to reduce the administrative burden on deans of civic-run hospitals in the city. In the past, there were complaints that hospitals overcharged patients, including for PPEs, at more than three times the market rate. The officials will keep a check on such practices too. Officials have told hospitals to not refuse admission to symptomatic walk-in patients.

Min Piyush Goyal's mom passes away

Mumbai: Senior BJP leader Chandrakanta Goyal, mother of Union railway minister Piyush Goyal, died here due to old age on Friday night. Chandrakanta was a corporator here for a term after Emergency. Later, she represented BJP from Matunga assembly constituency for three terms. **TMN**
