Gujarat Floods Relief 2017

Sharing Pain Spreading Smiles

Reliance Foundation Cares
It was time I was preparing food for my family that flood water started to come inside the village. One of neighbours told me that we have to move out otherwise we will be submerged. As he said the water started coming inside the house. For 4 continuous days we were forced to relocate. The condition of my house is bad, unfit for living. I am happy and thankful to Reliance Foundation for providing me the ration kit which will help us survive for a couple of weeks- Kanti ben, Lalpura village

As you can see behind me all these people are affected by floods as our village was submerged under water. Reliance Foundation have reached us and we are very happy to receive the relief kits, tarpaulins and blankets. This will help us regain our lives back. Thanks Reliance Foundation -Mevabhai Ahir from Abhiyana Ahir –Abhiyana Village

Over one lakh people provided relief through various means

Acknowledges
We are grateful to our dedicated Reliance volunteers from various locations in Gujarat as well as the community volunteers from Radhanpur project location whose tireless work is enabling the success of the relief operations.

The Backend support of Retail Team is worth appreciating, every time there is a challenge they rise up to the occasion and deliver.
