

RELIANCE INDUSTRIES LIMITED
Petroleum Business (E&P)
Notice Inviting Expression of Interest
(RIL/E&P/EOI/2021/02)
(Under International Competitive Bidding)
For KG-DWN-98/3 (KG-D6) Block

Reliance Industries Limited (RIL), as operator, on behalf of itself & its co-venturer BP Exploration (Alpha) Limited invites Expression of Interest (EOI) from reputed and experienced Contractors for following categories, for KG-DWN-98/3 (KG-D6) Block:

CATEGORY NO	CATEGORY DESCRIPTION
DEV/KGD6/2021/1	Supply of Valves for Subsea Application
DEV/KGD6/2021/2	Engineering, Procurement, Installation & Commissioning (EPIC) of Subsea Facilities, Pipelines & Umbilicals for Deep Water Field Development
DEV/KGD6/2021/3	Project Management Consultancy Services for Deepwater Field Development
DEV/KGD6/2021/4	Design Review, Appraisal, Certification and Verification Agency for Offshore Facilities
DEV/KGD6/2021/5	Services of Marine Warranty Surveyor

Interested Contractors are requested to visit our website www.ril.com for further details on the above and submit their EOI through e-mail on deveioresponse.eandp@ril.com, on or before 8 December 2021. Subject of the mail should mention "RIL/E&P/EOI/2021/02" along with category number. For documents size beyond 15 MB, Contractors should request RIL through e-mail to provide FTP link for uploading EOI documents. RIL will later ask Contractors to submit hard copies of their EOI in duplicate along with electronic copy on CD/ DVD/ Pen Drive with all details through courier / post.

Address for Communication:

Chief - Supply Chain Management,
Reliance Industries Limited, Petroleum Business (E&P),
Building No 11, 'A' Wing, Second Floor, Reliance Corporate Park (RCP),
Thane-Belapur Road, Ghansoli, Navi Mumbai-400701, India
Email Address: - deveioresponse.eandp@ril.com
CIN: L17110MH1973PLC019786

Further details on the above requirements are as below:

For KG-DWN-98/3 (KG-D6 Block)

Reliance Industries Limited (RIL), as operator, on behalf of itself & its co-venturer BP Exploration (Alpha) Limited invites Expression of Interest (EOI) from reputed and experienced Contractors for following categories, for KG-DWN-98/3 (KG-D6) Block:

CATEGORY NO	CATEGORY DESCRIPTION
DEV/KGD6/2021/1	Supply of Valves for Subsea Application
DEV/KGD6/2021/2	Engineering, Procurement, Installation & Commissioning (EPIC) of Subsea Facilities, Pipelines & Umbilicals for Deep Water Field Development
DEV/KGD6/2021/3	Project Management Consultancy Services for Deepwater Field Development
DEV/KGD6/2021/4	Design Review, Appraisal, Certification and Verification Agency for Offshore Facilities
DEV/KGD6/2021/5	Services of Marine Warranty Surveyor

Contractors interested to pre-qualify for receiving tenders are required to submit the information as detailed below:

Category No: DEV/COMN/2021/1 for Supply of Valves for Subsea Application

➤ **Scope**

Supply of various types of valves of pressure rating 600# and above for deep water oil and gas projects in water depths ranging from 100 m to 2500 m.

➤ **Contractor shall submit:**

- Details of experience in supplying valves in the past 10 years for deep water oil and gas projects in water depths ranging from 100 m to 2500 m. The details shall indicate type of valves, valve size, pressure rating, water depth of application, client name, project name, contract value etc. as a minimum.
- Details of the manufacturing locations and total annual manufacturing capacity for each type of valves and testing facilities details including that for Hyperbaric testing.
- Details of present order book and anticipated work load.
- Company Profile and audited financial results (Balance Sheet) for last five years.
- Brief on Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- Any other relevant information that will establish that Contractor is a competent valve supplier.

Category No: DEV/KGD6/2021/2 for Engineering, Procurement, Installation & Commissioning (EPIC) of Subsea Facilities, Pipelines & Umbilicals for Deep Water Field Development

➤ **Scope**

Engineering and Detailed Design of deep water field development & procurement of various items (other than free issue items), fabrication of subsea equipment, transportation of line pipes, subsea equipment etc., supply & installation of pipelines / flowlines, PLETs, jumpers, umbilicals & other subsea equipment, testing and pre-commissioning of subsea facilities & pipelines/

flowlines and providing commissioning assistance for subsea facilities & pipelines for deep water oil and gas projects.

➤ **Contractor shall submit:**

- Details of experience in past 10 years in executing EPIC (Engineering, Procurement, Installation and Commissioning) projects for deep water field development. Contractor to provide brief scope of work, water depth, client's name, contract value, year of execution etc.
- Details of resources available; such as (a) Engineering and detail design (b) Pipelay vessels, umbilical installation vessels, subsea construction and installation vessels; (c) fabrication facilities; (d) Testing, Pre-Commissioning and Commissioning details such as agencies, vessels etc.
- Details of services that may be sub-contracted; along with list of sub-contractors and experience of the subcontractors in executing the similar services for deep water development projects.
- Details of present Work commitment and anticipated work.
- Company Profile and audited annual financial statements for last five years.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- List of Key personnel along with CVs for Project Management, Procurement, Engineering, Interface Management, Fabrication, Testing and Pre-commissioning.
- Any other relevant information that will establish that contractor is a competent contractor capable of executing deep water field development projects.

Category No: DEV/KGD6/2021/3 for Project Management Consultancy Services for Deepwater Field Development.

➤ **Scope**

Provide project management consultancy services for executing deepwater oil & gas project including services such as project management, contract management, interface management, engineering support services (in key engineering disciplines), installation, pre-commissioning & commissioning support services, QA/QC management during manufacturing, installation and commissioning and expediting.

➤ **Contractor shall submit:**

- Details of experience in providing project management services in past 10 years for deepwater oil and gas projects.
- List of key personnel along with CVs for project management, contract management, interface management, engineering support in various disciplines, installation, pre-commissioning and commissioning support, QA/QC personnel in various disciplines.
- Details of present work commitments and anticipated work load.
- Company Profile and audited annual financial statements for last five years.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- Any other relevant information that will establish that Contractor is a competent service provider.

Category No: DEV/KGD6/2021/4 for Design Review, Appraisal, Certification and Verification Agency for Offshore Facilities.

➤ **Scope**

The scope will involve design review and appraisal, risk assessment & certification of deep water offshore facilities covering various stages of the project (from design to commissioning) and subsequent issuance of certificates of conformity on successful completion of these activities.

➤ **Contractor shall submit:**

- Experience in carrying out Certification and Verification Agency services for deep water offshore field developments in last 10 years, clearly bringing out project name, water depth, Contract value and the scope of work performed in each project.
- List of key personnel having experience in similar studies along with CVs.
- Details of present work commitments and anticipated work load.
- Company Profile and audited annual financial statements for last five years.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- Any other relevant information that will establish that Contractor is a competent service provider.

Category No: DEV/KGD6/2021/5 for Services of Marine Warranty Surveyor.

➤ **Scope**

Provide Services of Marine Warranty Surveyors related to transportation of XMTs, umbilicals, line pipes & subsea equipment and Installation of Pipelines, XMTs, PLETs, jumpers, umbilicals and subsea equipment.

➤ **Contractor shall submit:**

- Details of experience in past 10 years in providing services of Marine Warranty Surveyors for Oil and Gas projects
- Details of resources available to perform the Marine Warranty Services and CVs of Key Surveyors.
- Details of present work commitment and anticipated work.
- Company Profile and audited annual financial statements for last five years.
- Details of Health, Safety, Environment and Quality Assurance systems followed along with track record for last three years and any relevant certification.
- Any other relevant information that will establish that contractor is a competent service provider.

The above information for all the categories is to be submitted in the Summary Sheet as given below.

CONTRACTOR'S DETAILS
