MEDIA RELEASE

Public Information: Jio has not launched any JioCoin App

Mumbai, 31st January 2018: Reliance Jio has come across reports in media and other websites about the existence of purported JioCoin Apps on the Internet that are soliciting investments in crypto currencies from people.

Reliance Jio would like to inform the public and media that there are no such apps offered by the company or its affiliates / associates. Any such apps using the JioCoin name are fake and people are advised to refrain from dealing with any of them.

Reliance Jio takes a serious note of such fraudulent attempts by unscrupulous persons to misguide the public in the name of Jio and reserves the right to take appropriate legal recourse.

About Reliance Jio Infocomm Limited:

Reliance Jio Infocomm Limited ("Jio"), a subsidiary of Reliance Industries Limited ("RIL"), has built a world-class all-IP data strong future proof network with latest 4G LTE technology. It is the only network conceived and born as a Mobile Video Network from the ground up and supporting Voice over LTE technology. It is future ready and can be easily upgraded to support even more data, as technologies advance on to 5G, 6G and beyond.

Jio will bring transformational changes in the Indian digital services space to enable the vision of Digital India for 1.2 billion Indians and propel India into global leadership in digital economy. It has created an eco-system comprising network, devices, applications and content, service experience and affordable tariffs for everyone to live the Jio Digital Life. As part of its customer offers, Jio has revolutionised the Indian telecom landscape by making voice calls for Jio customers absolutely free, across India, to any network, and always. Jio makes India the highest quality, most affordable data market in the world so that every Indian can do Datagiri.
